## Safeguarding

# What is Safeguarding?

**Safeguarding** is about making people feel safe.

You should feel **safe** where you learn.

Everyone should feel **safe** from abuse.

**abuse** = to make someone feel bad or to hurt someone

**Safer practice,  
safer learning**

# Safer learning

## Your rights and responsibilities

You have the right to feel safe where you learn.

Other people should not hurt or abuse you in any way. Other people should not threaten to hurt or abuse you.

Your responsibilities are:

- to respect other people's rights to safety;
- not to hurt or abuse others; and
- not to threaten to hurt or abuse others.

There are staff who are there to support you and help make your place of learning safe.

This guide uses the words **abuse**, **responsibility** and **threaten**.

- **'Abuse'** is when someone does something to you that makes you feel bad or hurts you.

- **'Responsibility'** means something you need to do.
- **'Threaten'** means when someone makes you feel like they are going to hurt or abuse you.

### What should you do if you think you are being hurt or abused?

If you think you have been hurt or abused by another student or learner, member of staff or visitor, you should report this as soon as possible.

**Tell someone you trust about what is happening.**

Find out from your tutor, student support services or other trusted staff member who is responsible for protecting learners. Sometimes these are called Child or Vulnerable Adults Safeguarding Officers. Put their details here:
