

Using the topic sentence

Look at the following topic sentence: **'The general public currently appears to be obsessed with media celebrities.'**

Now write the rest of the paragraph that is likely to follow on from this sentence. See if you can use one of the methods 1-5 below.

1. By giving examples.
2. By making a comparison.
3. By using an anecdote (story).
4. By stating reasons or suggesting possible consequences.
5. By quoting statistics.

The general public currently appears to be obsessed with media celebrities.

Tip: Look at the factsheet **Using paragraphs** for guidance.
